### THE FARM PRODUCTS MARKETING ACT, 1946

O. Reg. 5/50.

An Agreement for the Marketing of Sugar Beets for Processing.

New.

Made—4th January, 1950.

Filed—11th January, 1950, 11.45 a.m.

### ORDER MADE BY THE BOARD UNDER THE FARM PRODUCTS MARKETING ACT, 1946

#### MARKETING OF SUGAR BEETS FOR PROCESSING

The Board approves the agreement appended hereto and orders and declares that it is in force.

Dated at Toronto, this 4th day of January, 1950.

(Seal) G. F. PERKIN, Chairman.  
F. K. B. STEWART, Secretary.

MEMORANDUM OF AGREEMENT made by the Negotiating Committee for sugar beets produced in Ontario in 1950, appointed under the provisions of "The Ontario Sugar Beet Growers' Marketing-for-Processing Scheme".

We, the undersigned members of the Negotiating Committee, agree and recommend to the Farm Products Marketing Board that the following agreement be approved:

1. (a) THE MINIMUM PRICES for sugar beets produced in Ontario during the year 1950 and purchased for processing in Ontario and delivered by wagon or truck to a plant opened by the processor shall be according to the scale below set out:—

#### FOR WAGON OR TRUCK DELIVERY AT FACTORY AVERAGE NET RETURN OBTAINED FOR SUGAR PER 100 POUNDS

	\$7.00	\$8.00	\$9.00
Sugar in Beet			
13%	\$ 8.85	\$ 9.80	\$10.75
14%	9.55	10.60	11.65
15%	10.25	11.40	12.55
16%	10.95	12.20	13.45
17%	11.65	13.00	14.35
18%	12.35	13.80	15.25
19%	13.05	14.60	16.15
20%	13.75	15.40	17.05

For weigh station or direct car delivery the price shall be 75¢ per ton less than the price set forth above.

Prices of beets for any combinations and fractional parts not shown in the schedule will be increased or decreased in proportion (provided, however, that if

the average sugar content of the grower's beets falls below 13% such average shall be considered as 13%).

The above scale of prices is based upon an extraction of sugar expected by the processor, in the following amounts per ton, for sugar in the beet of: 13 per cent—190 pounds; 14 per cent—210 pounds; 15 per cent—230 pounds; 16 per cent—250 pounds; 17 per cent—270 pounds; 18 per cent—290 pounds; 19 per cent—310 pounds; 20 per cent—330 pounds. To the extent that the actual average extraction is more or less than the expected extraction above referred to, then the above scale of prices shall be increased or decreased in order that the grower and the processor shall share equally in the results of such difference between the actual average extraction and expected extraction.

(b) The above scale of prices includes the grower's half of a total return of \$2.777 per net ton of beets paid for, obtained by the processor from the sale of dried beet pulp and molasses. Should the net returns to the processor for dried beet pulp and molasses from the 1950 crop vary from the amount of \$2.777 per net ton of beets paid for, each variation of one cent (1¢) up or down shall result in additions to or deductions from the above scale of sugar beet prices of one-half cent ( $\frac{1}{2}$ ¢) per ton; fractions in proportion.

(c) On beets delivered by the grower to a weigh station or shipped in direct cars to the factory, the processor will pay no charge other than the railway freight computed on the gross weight of beets received at the then prevailing rate per ton; provided, however, that if such rate exceeds \$1.10 per ton the excess over \$1.10 per ton shall be charged back to the grower.

(d) The said net returns of the processor's beet sugar, dried beet pulp and molasses, and also the final scale of prices per ton of beets, after being computed by the processor from their books, shall be checked and confirmed or corrected by a reliable firm of Chartered Accountants. The certificate of the said firm shall be binding upon both the grower and the processor.

(e) The minimum allowance to a grower for pitting sugar beets on the order of the processor shall be fifty cents (50¢) per ton in addition to the above-mentioned minimum prices.

(f) Initial payments shall be made on the 15th of each month for all beets delivered hereunder up to the 20th of the preceding month and shall be at the highest rate per ton that the processor deems to be justifiable taking into consideration anticipated production of and returns from the sale of sugar, dried beet pulp and molasses. On or before May 31st, 1951, provided all the sugar, dried beet pulp and molasses from the 1950 crop are not yet sold, a payment to the growers shall be made by the processor on the following basis: computed according to the scale of prices on the full amount of the net returns from sugar, dried beet pulp and molasses actually sold and paid for and on 85% of the processor's estimated net returns from sugar, dried beet pulp and molasses unsold. Final settlement is to be made forthwith after final net returns are received and the audit thereof completed as aforesaid, provided, however, that the processor shall have the right to deduct from any payment due hereunder any indebtedness owing by the grower to the processor on any account.

(Name of issuing carrier)

## CONDITIONS

1. The carrier of any of the goods herein described shall be liable for any loss thereof or damage or injury thereto except as hereinafter provided.

2.—(1) In the case of shipments from one point to another in Ontario, the carrier issuing this bill of lading, in addition to any other liability hereunder, shall be liable for any loss, damage or injury to the goods from which any other carrier is not by the terms of this bill of lading relieved, caused by or resulting from the act, neglect or default of the other carrier to which the goods are delivered in Ontario, the onus of proving that such loss, damage or injury was not so caused or did not so result being upon the carrier issuing this bill of lading.

(2) The carrier issuing this bill of lading shall be entitled to recover from the other carrier on whose motor-vehicle route the loss, damage or injury to the goods has been sustained the amount of the loss, damage or injury as it may be required to pay hereunder as evidenced by any receipt or judgment.

5. The amount of any loss or damage for which any carrier is liable shall be computed on the basis of the value of the goods at the place and time of shipment under this bill of lading (including the freight and other charges if paid) unless a lower value has been represented in writing by the shipper or has been agreed upon, in any of which events the lower value shall be the amount to govern the computation whether or not the loss or damage occurs from negligence, but the carrier shall not be liable for loss or damage for any amount in excess of \$40. for each hundred pounds unless a higher value is declared on the face of this bill of lading.

6. When it is a condition that the goods are carried at the risk of the shipper or owner of the goods the condition covers only such risks as are necessarily incidental to transportation and shall not relieve the carrier from liability for any loss, damage, injury or delay which may result from any negligence or omission of the carrier, its agents or employees and the burden of proving freedom from negligence or omission shall be on the carrier.

7. Notice of loss, damage, injury or delay shall be made in writing to the carrier at point of delivery, or to the carrier at point of origin, within two months after delivery of the goods or in case of failure to make delivery, then within two months after a reasonable time for delivery has elapsed; and unless the notice is given the carrier shall not be liable.

9.—(1) No carrier shall be bound to carry any documents, specie or any other goods of extraordinary value unless a special agreement to do so (the duty of obtaining such special agreement to be on the carrier when the nature of goods is disclosed herein) and a stipulated value of the goods is endorsed hereon.

(2) If the goods are carried without a special agreement and the nature of the goods is not disclosed hereon the carrier shall not be liable for any loss or damage thereto.

10. The owner or consignee of the goods shall pay the freight and all other lawful charges accruing on the goods, and, if required, shall pay the same before delivery; and if upon inspection it is ascertained that the goods shipped are not those described in this bill of lading, the freight charges shall be paid upon the goods actually shipped, with any additional penalties lawfully payable thereon.

11. Every person, whether principal or agent, shipping explosives or dangerous goods without previous full written disclosure to the carrier or his agent of their nature, shall indemnify the carrier against all loss or damage caused hereby and the goods may be warehoused at the risk and expense of the owner of the goods.

12. Any alteration, addition or erasure in this bill of lading shall be signed or initialled in the margin by the carrier issuing it or his agent and if not so signed or initialled shall be without effect, and this bill of lading shall be enforceable according to its original tenor.

13.—(1) The carrier represents to the shipper as a condition of the contract that he has on file with the Department of Highways a certificate of insurance in force during the currency of this contract, showing that the goods carried are insured against loss or damage caused by fire, collision as usually understood, overturning of the vehicle, collapse of bridges, or theft of an entire package.

## THE JUDICATURE ACT

O. Reg. 26/50.  
Rules of Practice and Procedure of  
the Supreme Court of Ontario.  
Amending O. Reg. 261/44.  
Made—19th January, 1950.  
Approved—2nd February, 1950.  
Filed—6th February, 1950, 9.40 a.m.

AMENDMENTS to the Rules of Practice and Procedure of the Supreme Court of Ontario, including the Appendix of Forms and the Tariff of Disbursements, made by the Rules Committee on the 4th, 5th and 6th days of January, 1950, under *The Judicature Act* and under *The Matrimonial Causes Act* as amended by *The Matrimonial Causes Amendment Act, 1949*.

1. Rule 56.—(4) of Ontario Regulations 261/44 is amended by inserting the words "or the committee for an absentee," after the words "liquidator or receiver," so that the said Rule shall read as follows:—

56.—(4) An affidavit of merits shall not be necessary where an appearance is entered by the Official Guardian for an infant or mentally incompetent person, or by an executor or administrator or trustee, or an assignee for the benefit of creditors or a liquidator or receiver, or the committee for an absentee, who swears that after careful inquiry he does not feel justified in admitting the plaintiff's claim and desires that it shall be proved, or by the Public Trustee appearing as committee of a mentally incompetent person.

2. Rule 97 of Ontario Regulations 261/44 is amended by inserting the words, "and an absentee," after the words "so found" so that the said Rule shall read as follows:—

97. A mentally incompetent person who has been so found, and an absentee, may sue or defend by his committee.

3. The heading immediately prior to Rule 307 of Ontario Regulations 261/44 is amended by striking out the words "*with a pleading*," so that the said heading shall read as follows:—

(ii) *Payment into Court in Satisfaction.*

4. Rules 307 to 319, both inclusive, of Ontario Regulations 261/44 are repealed and the following Rules substituted therefor:—

307. A defendant may at any time after appearance and before service of notice of trial, or afterwards by leave of the Court, pay into Court a sum of money in satisfaction of the claim or cause of action, or of one or more of the claims or causes of action for which the plaintiff sues, and the money when so paid in shall remain in Court subject to further order unless the plaintiff elects to take it out as hereinafter provided.

308. Payment of money into Court shall not, unless expressly so stated, be deemed an admission of the cause of action in respect of which it is paid.

309. Where tender before action is pleaded the sum alleged to have been tendered shall be paid forthwith into Court.

310.—(1) A defendant paying money into Court shall forthwith file and serve upon the plaintiff notice of payment in and, unless otherwise ordered by the Court, shall specify in such notice the claim or cause or causes of action in respect of which payment is made, and the sum paid in respect of each claim or cause of action.

(2) The notice shall be in Form 24.

311. A defendant paying money into Court shall in his *præcipe* state the Rule under which he is paying it in.

312. Where money is paid into Court under Rule 307, the plaintiff, if *sui juris* and personally entitled to the money paid in, may, within seven days of the receipt of the notice of payment into Court or, where more than one payment into Court has been made, within seven days of the receipt of the notice of the last payment into Court, accept the whole sum or any one or more of the specified sums in satisfaction of the claim or claims or of the cause or causes of action to which the specified sum or sums relate, by giving notice to each defendant as in Form 25 and filing same.

313. Where the defendant does not allege tender before action and the plaintiff takes the money in satisfaction of all the causes of action he may tax his costs of the action, and issue execution therefor, unless the defendant pays them within forty-eight hours after taxation.

314. Where the defendant alleges tender before action and the plaintiff elects to take the money in satisfaction unless otherwise ordered the defendant may tax his costs and the amount allowed him shall be paid to him out of the money in Court and the balance shall be paid to the plaintiff.

315. Money may be paid into Court under rule 307 by one or more of several defendants sued jointly or in the alternative upon notice to the other defendant or defendants.

316. Where moneys have been accepted pursuant to Rule 312 all further proceedings in the action or in respect of the specified claim, cause or causes of action (as the case may be) shall be stayed and the money shall not be paid out except in pursuance of an order of a Judge, or upon the consent of all parties verified by an affidavit of the plaintiff or his solicitor showing that the plaintiff is *sui juris* and personally entitled to the money.

317.—(1) Where money is paid into Court and the plaintiff does not except, in satisfaction of the claim or cause of action in respect of which the payment into Court has been made, the sum so paid in, but proceeds with the action in respect of such claim or cause of action, the money shall remain in Court and shall not be paid out except in pursuance of an order of a Judge or upon the consent of all parties verified as provided in Rule 316.

(2) If the plaintiff proceeds with the action in respect of such claim or cause of action, or any part thereof, and recovers less than the amount

paid into Court, the amount paid in shall be applied, so far as is necessary, in satisfaction of the plaintiff's claim, and the balance (if any) shall be repaid to the defendant, but if the defendant succeeds in respect of such claim or cause of action, the whole amount shall be repaid to him.

318. Except in an action to which a defence of tender before action is pleaded or in which a payment is made under the provisions of *The Libel and Slander Act*, no statement of the fact that money has been paid into Court under the preceding Rules shall be inserted in the pleadings, and no communication of that fact shall at the trial of any action be made to the Judge or Jury until all questions of liability and amount of debt or damages have been decided but the Judge shall, in exercising his discretion as to costs, take into account the fact that the money has been paid into Court, the amount of such payment and whether liability has been admitted or denied.

319. Any defendant to a counterclaim may pay money into Court in respect thereto and the foregoing rules shall apply *mutatis mutandis* to the money so paid in.

5. Ontario Regulations 261/44 as amended by Ontario Regulations 271/48 are amended by adding the following rule which shall apply to actions commenced on and after the day *The Matrimonial Causes Amendment Act, 1949*, comes into force:—

807.—(1) The provisions of this rule shall apply where a statement of claim in any action for the dissolution of marriage contains particulars as to any child of the marriage who is under sixteen years of age at the time of the commencement of the action.

(2) The writ of summons, statement of claim and any other papers required to be served therewith shall be served upon the Official Guardian at Toronto within 10 days after service thereof on the defendant spouse.

(3) All other pleadings and any notice of trial served pursuant to Rule 786 shall be served upon the Official Guardian within the times limited by the Rules for service upon the parties to the action.

(4) Three copies of the report of the Official Guardian and the supporting affidavit shall be served on the plaintiff within 30 days of the service of the writ upon the Official Guardian.

(5) The report of the Official Guardian and the supporting affidavit together with proof of service thereof on the plaintiff shall be filed in the office where the action was commenced within 10 days of such service.

(6) The plaintiff shall serve forthwith one of such copies and the supporting affidavit upon the defendant spouse unless such service is dispensed with by the Court, and shall within 10 days of service file proof thereof in the office where the action was commenced.

(7) Either spouse may dispute any statement in the report or the supporting affidavit by serving a concise statement of the nature of such dispute upon the other spouse unless such service is dispensed with by the Court and upon the Official Guardian at Toronto, and by filing the same together with proof of such service within 15 days of the service of the report on him.

(8) The Court may in its discretion order that the report and the supporting affidavit and any dispute filed be served upon the co-defendant or on any person not a party to the action and may give such directions as it may deem necessary.

(9) Unless the Official Guardian is the applicant he shall be served with 4 days notice of any application under sub-paragraph (8).

(10) The services mentioned in sub-paragraphs (6), (7) and (8) shall be personal unless the person to be served is represented in the action by a solicitor or unless the Court otherwise orders.

(11) Notwithstanding the provisions of Rules 248 and 250, no action shall be entered or set down for trial until the disputes have been filed or the time for filing disputes has expired.

(12) The record required by Rule 249 shall include at the end thereof a copy of the report and the supporting affidavit, any dispute filed and any order made pursuant to sub-paragraph (8).

(13) The provisions of Rule 227 shall not apply to a person who has made an affidavit verifying the report of the Official Guardian.

(14) The Official Guardian shall have the right to particulars, discovery and production under the Rules in all matters touching upon the custody, maintenance and education of any child to which this rule applies, whether or not any such matter is in issue in the action.

## SCHEDULE 2

## PRAYERS FOR RELIGIOUS EXERCISES

1. Most merciful God, we yield Thee our humble and hearty thanks for Thy Fatherly care and preservation of us this day, and for the progress which Thou hast enabled us to make in useful learning; we pray Thee to imprint upon our minds whatever good instructions we have received, and to bless them to the advancement of our temporal and eternal welfare; and pardon, we implore Thee, all that Thou hast seen amiss in our thoughts, words and actions. May Thy good providence still guide and keep us during the approaching interval of rest and relaxation, so that we may be prepared to enter on the duties of the morrow with renewed vigour both in body and mind, and preserve us, we beseech Thee, now and forever, both outwardly in our bodies and inwardly in our souls, for the sake of Jesus Christ, Thy Son, our Lord. Amen.

2. Lighten our darkness, we beseech Thee, O Lord, and by Thy great mercy defend us from all dangers and perils of this night, for the love of Thy only Son, our Saviour, Jesus Christ. Amen.

3. Our Father, Which art in Heaven, hallowed be Thy name, Thy kingdom come, Thy will be done in earth, as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation; but deliver us from evil. Amen.

4. The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us evermore. Amen.
